

## Kentucky Assembly

# How to Create Your Paperwork and Recording/Publishing Fees

The Kentucky Assembly will only accept paperwork from the following three resources;

1. Paperwork **you create** from the templates available at the [American State Nationals \(asnsecure.com\)](http://American State Nationals (asnsecure.com)) website (you will need some word processing experience to update the templates and add the correct notary block to use this option).

The Assembly recommends the following two paperwork **services** provided by American State Nationals:

2. [SERVICES | Status Select \(mystatusselect.com\)](http://SERVICES | Status Select (mystatusselect.com))  
Status Select offers two options. The e-mail option is the Prepared Document e-Package for \$50.00 and you print them out. The Welcome Home Deluxe Package will mail your completed papers to your home address for \$75.00. Please see the Status Select link for more information.
3. [maxetaylorjr@me.com](mailto:maxetaylorjr@me.com)  
Max will e-mail you a template you complete and mail (USPS) to him with a \$30.00 cash donation. Upon receipt he will e-mail you your completed paperwork which you will download and print out yourself. E-mail Max for more information (no website).

Once your paperwork is complete (*Congratulations!*) and you are ready to record, contact the Kentucky Recording Secretaries at: [kentuckyrecordingsecretary@mail.americanstatenationals.us](mailto:kentuckyrecordingsecretary@mail.americanstatenationals.us) and we will review your paperwork and set up a Zoom meeting. Please contact the Kentucky Recording Secretary if you have questions during your paperwork process.
